

YOUR PRODUCT. A NEW POINT OF VIEW.

Build your next campaign with AI.

Fashion imagery, AI UGC-style ads and short brand films. Clear direction, product references and careful visual review.

AI portfolio reference / Not a client testimonial

FASHION CONTENT PLAN

INR 20,000 / month

150 images + 11 AI fashion videos

A 30-day production cycle.

Studio and lifestyle concepts.

Planned scenes and camera direction.

Review against garment references.

Also available: presenter-led AI ad concepts, product explainers, short films and agency production support. Quoted after the brief.

Agree video length, formats, revisions, delivery calendar and applicable taxes before production. AI-created presenters are identified; product details are reviewed, not guaranteed identical.

FOR CLOTHING BRANDS WITH AN ONLINE STORE

Let them explore the look on themselves.

Start with two product links. See a tailored virtual try-on demo, review your website platform and agree the integration scope.

01 YOUR PRODUCTS

Share clear garment images and the store URL.

02 YOUR DEMO

Review AI-generated previews and brand presentation.

03 YOUR LAUNCH PLAN

Agree usage costs, integration, privacy handling and testing.

Premium	INR 4,999 / month	400 try-ons
Next Gen	INR 12,999 / month	1,100 try-ons
Custom	INR 15,000+ / month	Agreed volume
Local setup	INR 18,000 once	AI usage billed extra

Prices exclude 18% GST as listed in the supplied Try-On brochure. Local setup is a founding-partner offer, subject to availability. Usage tariff, installation scope and terms must be confirmed in writing.

AI previews illustrate appearance, not measured fit. Exact detail, speed, conversion uplift and fewer returns are not guaranteed. Platform compatibility is checked before commitment.
